### **Also Present**

Thirty five members of the public.

### 1. Mayor calls meeting to order.

The Chair requests the Wesleyan Students at the meeting to lead the public in the Pledge of Allegiance.

He welcomes the public and Wesleyan students and recognizes Deputy Mayor Santangelo and the community of Veterans who came up with the memorial on the wall. It is from WWI to today's conflict and it came with a request to honor the Vietnam War veterans. Local artist David Shultz did the art work and did a beautiful job of recognizing the veterans.

The Chair asks the clerk to read the call of the meeting. He declares the call a legal call and the meeting a legal meeting.

### 2. Accept/Amend the Agenda.

Councilman Thomas J. Serra moves to amend the Agenda by adding agenda item 10F Emergency purchase for the Communications Department and 12F, a resolution for a LoCIP grant to pay for the emergency purchase and to substitute the Mayor's appointments. Councilman Sebastian N. Giuliano seconds the motion. The chair calls for the vote. It is unanimous to approve with 12 aye votes. The chair states the matter passes unanimously with 12 affirmative votes.

### 3. Presentations

## F. Emergency Purchase - Central Communications, emergency generator replacement - Possible Addition (Approved)

# CITY OF MIDDLETOWN CENTRAL COMMUNICATIONS CENTER 911 - POLICE - FIRE - EMS 169 CROSS ST, MIDDLETOWN, CT 06457

#### MEMORANDUM

TO: Mayor Dan Drew

Common Council members

FROM: Wayne S. Bartolotta, Director of Central Communications

SUBJECT: Emergency Purchase of Generator

DATE: September 30, 2016

CC: Joseph Samolis, Chief of Staff

Tina Gomes. Chief Management Analyst

During a recent preventative maintenance of the emergency generator at the Central Communications Center a number of serious issues were discovered.

The most obvious was a bad fuel leak that would need a part to repair that was becoming difficult to locate because of the unit is 20 years old.

As the technician proceeded with the maintenance it was discovered that the generator was not producing enough electricity even to trip the transfer switch.

At that point the technician went to get a part that possibly would correct the electrical issue and I had started the process to getting a temporary generator in place in case the problem couldn't be resolved.

The part arrived and was installed and did not correct the issue. The temporary generator arrived and was hooked up by Water Dept. electrician Brian Bish and we were in full back up power service in less than a few hours.

As we looked deeper into the existing generator several components were obviously scorched and I felt that given the age and mission critical objective of the unit not to repair it but to replace it without delay.

I have spoken with both Joe Samolis and Tina Gomes on this issue. This is a LOCIP qualified project according to Tina.

I feel an emergency purchase of a replacement unit is warranted and I have attached necessary proposals.
